Andrew Blanchard,

William Paſteur,

Charleſtown, February 9.

THurſday ſe'nnight the Providence and Ranger Continental ſhips of War, with the Eagle Tender, returned to this Bar, from a Cruize off *Tybee*; where, on Monday and Tueſday, they diſcovered 5 *Britiſh* Ships at Anchor, having the appearance of Men of War, and 8 other Ships under ſail. They ſent in the Revenge and Henry, two large Sloops from New York bound for Georgia, which they had taken, having on board 14 Officers and Paſſengers, and 32 non-commiſſioned Officers and Privates of Lord Cathcart's Light Draggons and a Quantity of Horſe Furniture. *It ſeems* they are Part of the ſame ſcattered Fleet with which the Brig Lady Croſby (mentioned in our laſt) ſailed from New-York on the 23d of December with Admiral Arbuthnot, conſiſting of 140 Sail, 27 whereof were men of War, Tranſports, &c. the reſt light Victuallers returning to Europe, and would probably be convoyed by the Robuſte of 74, and Romulus of 44 Guns. The Information we have received, of the Number of Troops embarked in this Fleet, and of the General Officers who command them vary ſo much, that it is yet impoſſible to give our Readers ſatisfactory Accounts on theſe Heads—none place their Number below 8000, but ſome raiſe them as high as 11,000; all agree, that Sir *Henry* Clinton or Lord Cornwallis is with them; but it ſeems moſt probable, that Sir Henry is the General: We are alſo told, that 1400 Horſes were embarked in the Fleet, but that 'tis not probable they have ſaved 300, the bad Weather the Fleet met with having obliged moſt of the Ships to throw them overboard; one of the Sloops brought in ſaved only one out of 32. On this Paſſage the Priſoners ſay, they ſaw a Ship Bottom-upwards: They alſo mention the Capture of the Brig Betſey, George Croſs Maſter, of and from this Port (on her firſt Voyage) for Cape Francois (one of the fineſt Veſſels ever built in this State for faſt ſailing) by the Roebuck Man of War, owing to a heavy Gale of Wind, wherein the Brig could not carry ſail; and that when the Gale abated, ſhe out ſailed the Man of War every Way.

On Saturday ſe'nnight a Sloop, laden with Salt, came in from *Turks Iſland*; by which ſeveral Veſſels were ſeen at different Times, ſuppoſed to be of the ſcattered *Britiſh* Fleet from New-York.

The ſame Afternoon, the Providence and Ranger continental ſhips of war, with the eagle came in, upon the appearance of a Britiſh ſhip of war of 50 guns, ſuppoſed to be the *Roebuck*, and a frigate, coming up from the Southward, the firſt of which was almoſt within gun-ſhot of the Providence before ſhe got in.—The weather has been exceſſive hazy ever ſince, but the Eagle went out laſt Wedneſday to reconnoitre, and diſcovered the two largeſt ſhips off, and ſo near, the Bar, that ſhe was obliged to have recourſe to her oars to eſcape them.

The legiſlature on Tueſday ſe'nnight, agreeable to the directions of the Conſtitution, proceeded to the choice of five Delegates, to repreſent this ſtate in the Continental Congreſs, when the *Hon.* Henry Laurens and John Matthews, *Eſqrs*, were re elected, and the Hon. Thomas Bee Francis Kinloch, and Arthur Middleton Eſqrs, elected. At the ſame time, the Hon. *Henry Laurens*, Eſq; lately returned from Congreſs, received the well-merited thanks of his country, for his paſt faithful ſervices there.

The Legiſlature have likewiſe elected four new Privy-Counſellors, as directed by the Conſtitution, viz. the Hon. John-Lewis Gervais, *David Ramſay*, Richard Hutſon, and Benjamin Cattle, Eſqrs.—in the room of the Hon. John Parker, Iſaac Motte, John Neufville, and John Edwards, Eſqrs, who were elected in February laſt for one year only.

And they have paſſed and ratified,

AN ORDINANCE *for procuring Labourers for the Public Service.* And,

AN ORDINANCE *for the better defence and ſecurity of this State, during the Receſs of the General Aſſembly.*

If our laſt advices from Georgia may be credited, only one of the ſcattered fleet from New York had got in there before the 25th of laſt month, being a ſhip with a company of *Heſſian* grenadiers, and ſome mounted Britiſh dragoons, who had the care of horſes that were thrown overboard. And they report there, that the *Spaniards* were actually in poſſeſſion of Mobile and Penſacola; the gariſon of the laſt made priſoners of war, and the ſettled inhabitants allowed ſix months to remove with their effects to *Great Britain*.

We alſo hear from Georgia, that they have 800 Indians and about 400 armed blacks, encamped in the late French line near Savannah.

It ſeems not improbable from ſome particular circumſtances, that the French frigates which ſailed from hence laſt week on a cruize, under the command of M. Dumaiis, have gone on a Viſit to Bermuda or New Providence.

We have the Pleaſure to obſerve that every Preparation ſeems to be making here for a proper Reception of the Enemy, ſhould either a part or the whole of the late embarkation from *New-York* be deſtined this Way. Succours come in from different Quarters, and our own People ſeem much animated.

☞ HINT.] Many perſons who have declined ſubſcribing to this Gazette, on the new Terms of TWENTY DOLLARS per Quarter, don't recollect, "that they are half a Year in Arrears," or that it is EIGHTEEN Months from *June* 14, 1778, to *January* 1, 780.

In the *Houſe of Repreſentatives*, the 7th Day of February, 1780.

An Act to empower the holding of Special Courts of Common Pleas within this State, as well between Reſidents as tranſient Perſons, and to prevent the monopolizing of Country Produce.

WHEREAS it is neceſſary for the Advancement of Juſtice within this State, that Special Courts of Common Pleas may be held, as well between Reſidents as tranſient Perſons therein, for the Recovery of any Debt ariſing from the Sale of any Property, where the Perſon or Perſons ſo purchaſing ſuch Property ſhall contract for the immediate Payment of the ſame, or for a Credit not longer than Three Days after ſuch Purchaſe: *And whereas alſo*, it is expedient that Perſons be prevented from the evil Practice of Monopolizing and Engroſſing the Country Produce of this State, in order to create an artificial Scarcity and raiſe the Prices of the ſame, ſuch Practices being very pernicious to the good People of this State, and detrimental to the commercial intercourſe of this Country with Foreign States: *Be it therefore Enacted*, by the Honourrble the Senate and Houſe of Repreſentatives of the State aforeſaid, in General Aſſembly now met, and by the Authority of the ſame, that if any Perſon or Perſons, after the Paſſing of this Act, ſhall purchaſe any Goods or Property whatever, at any public or private Sale within this State, above the Value of one Thouſand Pounds Currency, by agreeing to pay the ready Money for the ſame, or upon a Credit for ſuch Payment for not longer than Three Days after ſuch Purchaſe ſo made, and ſhall not pay for ſuch Property ſo purchaſed, according to the Terms of ſuch Sale, it ſhall and may be lawful for the Perſon or Perſons ſelling ſuch Property, after the Money ſhall become due for the Sale of the ſame as aforeſaid, to apply to the Governor or Commander in Chief of this State, for the Time being, by petition, and the ſaid Governor or Commander in Chief is hereby fully authoriſed and required, on ſuch Petition being ſo made in writing, and ſworn to, and ſetting forth, that the ſaid Petitioner hath ſold to any and what Perſon or Perſons, any and what Property for ready Money, or for a Credit not longer than Three Days, and which is then due, and not paid for, to order a Special Court to be held for the Recovery of the ſaid Sum or Sums of Money, or other Demand ariſing from, or becoming due, by Virtue of ſuch Sale as aforeſaid, which ſaid Special Court ſhall be held in like Manner as other Special Courts have hitherto been held, by Virtue of the Jury-Law of this State; in Caſes where tranſient Perſons are concerned, and ſhall have all the Powers and Authorities, and be ſubject to the ſame Rules as ſuch Special Courts hitherto held as aforeſaid: *Provided nevertheleſs*, that nothing herein contained ſhall extend, or be conſtrued to extend, in any Manner to alter or affect ſuch

Part of the Jury-Law of this State, as respects Special Courts to be held for the Accomodation of transient Persons; *and Provided also*, nevertheless, that no Execution shall issue after any Verdict obtained, in any Special Court to be held and by Virtue of this Act, until Three Days after such Verdict shall be so obtained: *And be it further enacted by the Authority aforesaid*, That in all Cases where any Sum or Sums of Money, are or may be come due on Contracts entered into, within twelve Months last past, it shall and may be lawful for the Person or Persons to whom such Sum or Sums are or so may become due to apply for Special Courts for Recovery of the same, in like Manner as herein before directed by this Act.

II. *And be it further enacted, by the Authority aforesaid*, that it shall not be lawful for any Person or Persons within this State, to buy up or to purchase any of the Country Produce of the same, more than is necessary for Nine Months Use or Consumtion of the Family or Familes of any such Person or Persons; unless the same, shall be bought for Public Use, or for Exportation, or retailing in the Public Market, on Paid, that if any Person or Persons shall so purchase any such Produce, contrary to this Act, every such Person or Persons so purchasing the same, shall forfeit all and every such Article so purchased in Violation of this Law, and pay Three Times the Value of such Produce so Purchased contrary to this Act, to be recovered in any Court of Law in this State, by Bill, Plaint or otherwise, by any Person who shall sue for the same, wherein no Essoign, Wager or Protection of Law shall be allowed, or any Imparlance suffered to be pleaded. The Articles aforesaid, so forfeited, to go to the Use of the Public; and also one fourth Part of the Penalty or Sum on the Value of the same; and the other three fourths of such Penalty or sum so recovered, shall go to, and be for the Use of, the Person who shall sue for the same; *Provided nevertheless*, That nothing herein contained shall be construed to extend to Tradesmen within this State who purchase the Counry Produce thereof, in order to manufacture the same in their respective Occupations.

III. *And be it further Enacted, by the authority aforesaid*, That this Act shall be of force and continue until the End of the next Meeting and Sitting of the General Assembly, and no longer.
